🚨THIS WEEK: The KIDS Act is on the list to be floor.

This is a 114-page bill that has several different one. None of them are good, just varying degree

What it actually builds, across seven titles, is a f age identification, consent management, and m

The most important provisions most members v read:

🚩A "more likely than not" probability standard biometric age estimation as a federal complianc

🚩A mandatory FTC trigger that could build cen verification infrastructure without another cong

🚩A new federal entity under the Secretary of C developing best practices for "age verification, a estimation techniques"...with a playbook that ou

🚩An annual audit pipeline requiring platforms many minors they've identified and how they id

This is not about "child safety"; it is a federal su deceptively marketed as child safety.
